CARPET & TILE MART

FLOORING SUPERCENTERS

Furniture Moving Services

At Carpet & Tile Mart we understand that preparing your home for install can be a daunting task, but we are here to help! Our carpet installation professionals can move most of your basic furniture for a reasonable fee. There are certain items that will require an additional charge due to size or need to disassemble and reassemble.

Preparing for your installation

Basic Furniture

Basic furniture includes common items such as disassembled beds, dressers, end tables, dining room table and chairs, sofas, and loveseats. ALL Electronics: TV's, stereo equipment, and computer related items should be disconnected and moved prior to your installation to ensure the safety of those items.

Beds / Cribs

Beds and larger cribs should be disassembled so that the installation Team can move them easily. If you are unable to do so, the installation team can normally do this for an additional fee. This includes bunk beds, four post beds, captain beds, cribs and day beds. If you have a hospital bed or a sleep number bed please alert your Flooring Consultant.

Disassembly & Reassembly

Similar to beds, wall units, entertainment centers and dressers with detachable mirrors should be cleared disassembled and ready to move prior to the installation day. If you are unable to disassemble, our installation team can disassemble and reassemble for an additional fee. Please speak with your flooring consultant for more details.

Exceptions

Excessively heavy or large items will be charged separately from the basic furniture pricing and are not included in our basic furniture moving services. Some examples would include: Exercise Equipment / Pool Tables, Pianos / Safes, Computer desks / China Cabinets / Curio Cabinets, Wall unit (2 or 3 piece) / Electric beds and Sleep Number beds.
